Downloading to the **kindle fire**
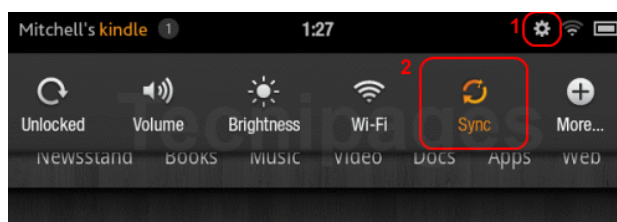

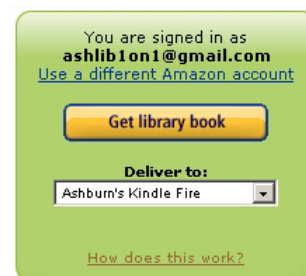

Loudoun County Public Library
Nurturing Minds

---

Before you begin:

- Please sign up for an Amazon account and have your account login info handy
- Register your Kindle Fire with your Amazon account

---

1. Tap on **Web** and go to library.loudoun.gov on your Fire.
2. Tap on CATALOG on the orange banner at the top left of the page; select **e-books & e-audiobooks** from the dropdown box.
3. Tap on **Overdrive** in the gray box on the page.
4. When a smaller window pops up, tap on Click Here for OverDrive eBooks and eAudiobooks
5. You may now browse or search for books, using either the search box or **Advanced Search**
6. Select your book by tapping the shortcut button, **Borrow,** or click on the title to bring up the record. When the page loads, click the blue **Borrow** button. (Note: if the little black image of open book is grayed out, it means that the book is checked out but you may place a hold by tapping **Place Hold.** You be notified when it is available or you can choose the option to check it out automatically when it becomes available.)

7. Enter your library card number when prompted.
8. Click the dropdown arrow in the blue **Download** button to the right of the book cover, choose the **Kindle Book** format, then click **Confirm & Download**.
9. You will be taken to your Amazon Kindle page. click **Get library book**.
10. Go back to your **Home** screen and tap on **Books**. Your book should automatically download (this may take a minute or two.)
11. If your book does not appear then go to the **menu** at the top of the screen and choose **Sync.**

Note: If you do not see any Kindle titles this means your Fire is set to view the Mobile Version of the site. Go to **Web**. Tap on the **Menu** icon and then tap **Settings**.

Scroll down to **Advanced** and tap on **Desktop or mobile view** (For Fire HD users tap on **Requested website view**)
Choose the option, **Automatic: Optimize for each website**
Before exiting choose **clear history** then **clear all cookie data** then **clear cache**

EPUB and eAudiobooks on the   kindle fire

You can get EPUB and MP3 eBooks from the library on your Kindle Fire using the Overdrive Media Console App.

- Download the **OverDrive Media Console** app available free through the Amazon Store
- Open the OverDrive app and tap the **Menu** button, then tap **App Settings**
- Tap on **Get a free Adobe ID** if you don't already have an Adobe account
- Authorize the OverDrive app with your Adobe account

---

1. Open the OverDrive app.
2. Tap the **Menu** button. Tap **Get Books** then **Add a Library**
3. Search for "Loudoun" or use a local zip code. Choose any library branch.
4. Tap on the "**Star**" to save this library. Tap on **Loudoun County Public Library**.
5. You will be redirected to the OverDrive website..

6. You may now tap the **Browse** or **Search** option.

   <u>Search Tip</u>: You may also use the "Advanced" search feature to narrow down search to display only the correct formats for your Kindle (EPUB or MP3.)

7. Select your book by placing your cursor over the cover, then click the blue **Borrow** button,(or click on the title to bring up the whole record and hit the **Borrow** button**.)   Note**: if the little black image of the headphones is grayed out on the book cover, it means that the book is checked out but you may place a hold by tapping **Place Hold.** You be notified when it is available or you can choose the option to check it out automatically when it becomes available.)

8. Enter your library card number when prompted.

9. Click the dropdown arrow in the blue **Download** button to the right of the book cover, choose the **EPUB eBook** or MP3 format, then click **Confirm & Download**.

10. The book will automatically download. Tap the **menu** button and then tap **Bookshelf**.
